Get Ready, Hurricane Season Blows In

Now that school started and summer is about to end, it is time to get started with your storing, removing the clutter and cleaning your home to be ready for the holiday season.

The Department of State alerts U.S. citizens to the Hurricane Season in the Atlantic and Pacific Oceans, the Caribbean, and the Gulf of Mexico. Hurricane season in the Atlantic begins June 1 and ends November 30. The Eastern Pacific hurricane season began May 15 and ends November 30. This Travel Alert expires on December 1, 2011. The National Oceanic and Atmospheric Administration's (NOAA) Climate Prediction Center expects to see an above-normal hurricane season this year in the Atlantic.

It is important to remove all unnecessary summer items from your patio and pool area and store them safely since the hurricane season is not over yet.

Davie Self Storage has several options for you to store and keep your belongings safe and handy for the next summer season. There are drive-up units, climate control units, and even parking spaces available. They will help you select the one that will best fit your necessities.

Davie Self Storage also sells boxes, tapes and different items to make your storage experience easier. Contact one of their friendly staff members and they will be happy to help

Save your pool for summer, store your patio furniture so it doesn't blow away in a hurricane.

The City of Davie Turns 50!

The town of Davie is turning 50 years old and The Mayor and Davie Town Council are inviting all residents to attend a month long birthday celebration of events. Southeast Circuit Rodeo Finals, Help place the Town's 2011 Time Capsule (to be opened in 2061), Family Bike Ride and Safety Day, Town of Davie Police and Fire Expo, Happy Paws Pet Expo and Pioneer Day Reenactments and tours are among the events that will begin on October 19th and end with a Birthday Bash Party at the Bergeron Grounds on November 20th. Also, there will be a Birthday Bash Poster and Essay Contest where your school or non profit group can participate.

The purpose of this contest is to engage students in an awareness of the community in which they live and to actively participate in the making of history.
